

## **BASU AGM February 2011**

### **Membership Report**

In 2010 we had 56 fully paid up members who covered a total of 1,840 tournament games across 23 tournaments. We had 269 games covered by 65 part time Umpires, 43 of whom were, to some extent, qualified but not subscribed members.

There were at least 12 new members, who had been recruited from either courses held during the year, or who had sat a course the previous year and were looking to further their experience.

There were 62 previously qualified umpires who did not cover any tournament games during the season.

By region, the numbers of active members are as follows:

<b>Area</b>	<b>Number</b>
<b>Bristol</b>	10
<b>London</b>	9
<b>Windsor</b>	7
<b>Manchester</b>	7
<b>Edinburgh</b>	4
<b>Solent</b>	4
<b>Oxford</b>	2
<b>Glasgow</b>	1
<b>Leeds</b>	1
<b>Newcastle</b>	1
<b>Nottingham</b>	0

Using these figures, it is suggested that recruitment could focus on encouraging previously active members back, turning part time umpires to cover complete weekends and to encourage more members from the larger leagues, such as London, Windsor and Nottingham.
